

Remote Learning Online Sessions

Guidance and expectations for parents.

To support of our learners who remain at home, this guide to expectations for parents and carers will help us to keep everyone safe whilst engaging in live sessions with school.

- Parents/carers need to remain in the vicinity of their child/children during the session.
- Parents/carers to support all children to be dressed appropriately for the session.
- Parents/carers should inform the school of any safeguarding or wellbeing concerns that they may have during any online session.
- Parents/carers must be aware that the sessions are recorded for safeguarding purposes and stored centrally in school for 28 days. After they will be automatically deleted.
