

## The Castle @ Theale

### Curriculum Pathways

#### Student Centred Planning

- ❖ EHCP Outcomes and SAP targets – identified and developed through Annual Review process.
- ❖ BOXALL Profiles systems inform social and emotional developmental stages of each student. BOXALL profiles identify levels of skills that students have to access learning and gaps that need to be supported. From this individual, achievable targets for social and emotional aptitudes are then set for the student and reviewed periodically.
- ❖ Multi-professional Team Around The Student.
