Illness in school. We are still seeing a lot of nasty bugs, including flu, Covid and norovirus in school at the moment. All of these can spread very quickly throughout our community, especially in a school environment and they can pose a serious risk to the health and safety of our students, especially those who are more vulnerable.

If your child is ill — such as showing fever or chills, body aches, dry chesty cough, sore throat, headache, stomach pain, diarrhoea, or vomiting — please keep them at home until they are fully recovered (48 hours in the case of diarrhoea, or vomiting). By doing this, you help us reduce the risk of class closures and keep our school community as safe as possible.

For more information and news please visit us at www.thecastleschoolnewbury.org.uk

I would like to wish all our students, staff and parents a wonderful Easter.

Please note that the last day of term is Friday 27th March 2026. Students should return to school on **Monday 13th April 2026**

Many thanks, Jon Hewitt (Headteacher)
