

Parental/Carer Consent Form For Off Site Activities

Dear Parents and Carers,

You will be aware that for all our pupils first hand experience is extremely important in enabling them to learn.

As a school, we take pupils off site frequently, in order to give them those opportunities. The details of specific visits should be communicated to you in home school diaries or in a letter. We do, however, need to have your general permission for day trips out each term. (For trips which extend out of school hours, a more detailed permission slip is required.)

All visits have to be authorised by the Headteacher and must have a specific curriculum purpose. The Local Authority takes out insurance cover for all outings on your behalf.

Could you please complete the details below and return to your son/daughter's class teacher.
